PASIFIC CALL 1 reserve list

Projects recommended for funding :

PE PANEL :

	First name	Last name	Acronym	ID of proposal	Title	Host Institute
1.	Matthew	Edmonds	STOQDROPS	43131	Superfluid Stochastic Quantum Droplets	IF PAN
2.	Fátima Zoriana Eloisa	Velásquez Rojas	The Impact OPENING	407148	The impact of pandemic on disadvantaged groups: an agent-based model approach	IFJ PAN
3.	Atri	Bhattacharya	USBHENO	159031	Understanding Signals and Backgrounds at High Energy Neutrino Observatories	IFJ PAN
4.	Mohammadreza	Naeimirad	Insulin-core fibers	46721	Development of Insulin-core PCL/Gelatin nanofibers for diabetic wound healing application	IPPT PAN
5.	Nadiia	Rebrova	UVC-EMMA	260800	UVC emitting materials for medical applications	INTiBS PAN
6.	Mohammadsaeid	Enayati	CGT-TE-TCD-USS-NH	337645	Combined gene therapy and tissue engineering in treatment of cartilage disorders using shear-thinning and self-healing nanocomposite hydrogels	IPPT PAN

LS PANEL :

	First name	Last name	Acronym	ID of proposal	Title	Host Institute
1.	Rugmani	Meenambal	TheraLanOx	452805	Neuroprotective properties of theranostic lanthanide oxide nanoparticles against neurotoxin-induced cellular models of Parkinson's disease	IF PAN

2.	Abdel Aziz	Gad	HELP-GULO	452832	Heterologous production of L-gulono lactone oxidase fused with human elastin like-polypeptide	IBB PAN
3.	Francesco	Latterini	AlmSusFor	46605	Extending assessment of the environmental impacts to the forest ecosystem due to forest management: a comprehensive approach to enhance sustainable forestry in the context of climate change	ID PAN
4.	Tainá	Rocha De Almeida	MomsInCharge	226886	Strain-specific maternal non-genetic inheritance and its effect on progeny performance in rainbow trout (<i>Oncorhynchus mykiss</i>)	IRZBŻ PAN

SSH PANEL :

	First name	Last name	Acronym	ID of proposal	Title	Host Institute
1.	Mikhail	Khorkov	TRANSLIBHUB	27071	Transmission of texts and individualisation of knowledge at the end of the 15th century: Carthusian libraries as transregional hubs for accumulation of ideas and practices of their reception	IHN PAN
2.	Kseniya	Medvedeva	ECOCO	612683	Green Orthodoxy: Ecological Conversion of Eastern Orthodox Churches	IFIS PAN
3.	Laëtitia	Demay	SCOPE	75695	Socio-ecosystems of nomadic human populations around the Carpathians during the Last Glacial Maximum	ISEZ PAN
4.	Imran	Sarihasan	miGRIMEEUC19	595176	Persisting Immigrant Entrepreneurship in European Union Member States during the Economic Downturn due to Covid-19 Pandemic	IFIS PAN
5.	Chi	Pham	CP	75657	Writing the Nation in Post-Socialist Era: Presentations of Foreign Migrants in Contemporary Vietnamese Literature	IBL PAN

Accepted by:

Prof. Jerzy Duszyński, President of the PAS

Prof. Paweł Rowiński, PASIFIC Project Coordinator
